

RUTGERS BUSINESS SCHOOL COVER LETTER FORMAT

130 Manor Street, Newark, NJ 07029

September 1, 2021

Mr. Jane Done
Director, Human Resources
Verisk Analytics Company
111 Broad St.
Austin, Texas

Dear Hiring Manager:

I am writing to apply for the position of Financial Analyst at Verisk Analytics Company, as I believe my optimization and coding, background of analytics and software engineering, and career interests are a strong fit with this opportunity. I am an MITA student at Rutgers Business School, specializing in Operations Research and Business Analytics, with a GPA of XX.

Throughout any business logic developments, it is vital commercial transform modeling takes place. Many parties are interested I accurate furcating that will ultimately help drive business objectives and focus. The studies I've done on Linear Optimization and Stochastic Processes in RBS helped me to build a wealth of knowledge of data analytics and various experiences which strongly meet the position.

Besides, the solid and comprehensive awareness of data structure and algorithm, programming and data management from my Bachelor of Software Engineering will contribute to the future performance in your company. Experiences of coding I have gained during the projects in UESTC will also play an important role of transferring static data to actual commercial business. My position in Zhongtai Securities have taught me the importance of bridging the developing of software and business. The volunteer works I have done forge my personality of helping others and that is the reason why I choose to go into the business of analytics in order to help and assist clients who needed.

I have attached my resume for your review and welcome the opportunity to discuss my qualifications further. I can be reached at (973) 368-5967 or at hw493@rutgers.edu.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,
Haoyu Wang
